

Environmental Policy Statement

National Safe & Security Pty recognizes its obligations and responsibilities to minimize any adverse environmental impact and assist in the protection, preservation and enhancement of the environment during the conduct of its operations.

Organizational Aims:

- Comply with the requirements of ISO 14001 and other relevant Environmental legislations and obligations;
- Manage our diverse activities to prevent or minimise pollution and impacts on visual amenity, air, water, land, flora, fauna and cultural and heritage values;
- achieve the organisational statement and facilitate continuous improvement;
- actively participate in the recognition and implementation of initiatives that will enhance the environment;
- assist government and other bodies with environmental matters as they pertain to National Safe & Security Pty and the wider community;
- encourage all employees to contribute to environmental management;
- develop reclamation and recycling initiatives to conserve resources;
- selection, acquisition and use of non-toxic, bio-degradable materials;
- actively promote social and economic issues as well as environmental aspects;
- Monitor and report our environmental progress; and
- Continue to improve our environmental management system and environmental performance.
