

Occupational Health and Safety Policy Statement

National Safe & Security Pty is committed to providing a safe and healthy environment for our employees, sub-contractors, clients and the public. We are dedicated to continually improving health and safety performance and will promote a high standard of Occupational Health and Safety.

ORGANISATIONAL AIMS

- Compliance with the requirements of ISO 45001 and other safety legislations;
- Consult with employees and their representatives in matters relating to workplace safety;
- Communicate and inform employees and subcontractors in matters relating to workplace safety;
- Provide and maintain a safe working and community environment;
- Implement mechanisms that allow all staff to participate in the development of a safe working environment that is as risk-free as possible;
- Identify hazards, assess risk, eliminate risk and initiate risk control measures;
- Develop and maintain safe working practices;
- Provide relevant training to ensure staff are competent to carry out their job in a safe manner;
- Provide adequate resources to ensure the health and safety of staff, subcontractors and those around us;
- Provide appropriate supervision to ensure work is carried out in a safe and healthy manner;
- Regularly review all health and safety systems to maintain their effectiveness;
- Set measurable and achievable objectives and targets;
- Continue to improve our OHS management system and OHS performance; and
- Ensure all sub-contractors are aware of, and capable of providing services in accordance with the National Safe & Security Pty OH&S Policy and Procedures.
